Mercedes-Benz Service Plans

With our Service Plans you can take care of your servicing costs for up to five years. There are two types of Service Plans available, which are designed to make servicing as economical and convenient as possible.

Mercedes-Benz Care covers all the routine maintenance recommended in the service schedule for your vehicle, including all labour, parts and lubricants. If your Mercedes-Benz is over three years old, you're covered for your annual MOT test fee.

Mercedes-Benz Total Care includes all the service cover described in the Mercedes-Benz Care plan but also covers you for the replacement of brake pads, brake discs, wiper blades, and manual clutch assemblies.

Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects¹ and up to 30 years warranty against perforation due to corrosion from the inside out.² What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.²

Factory collection

As an alternative to delivery via your local Retailer, you can choose to collect your Mercedes-Benz from one of our Customer Collection Centres in Germany. There you can go on a tour of the plant before taking possession of your new car and driving it home in person. It's a truly memorable way to start the ownership experience. There is no extra cost for factory collection over standard delivery. If you are interested in this option, please ask your Retailer for further information.

¹Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Retailers

²Subject to full Terms and Conditions, dependent on date of registration, available upon request
