

SLK Roadster

Mercedes-Benz

Standard equipment for the SLK Roadster

Interior

- Airbag with multi-stage deployment logic and head/thorax sidebags (side airbags offering additional protection for the head) for driver and passenger
- Analogue clock
- ASSYST service interval indicator
- Automatic child seat recognition on passenger seat for Mercedes-Benz approved child seats with transponder
- Automatic heating system with residual engine heat utilisation system, dust filter and recirculated air button with convenience feature (automatically closes windows). Can be controlled separately for driver and passenger.
- Belt tensioners with belt force limiters and belt guide on the driver's and passenger seats
- Black fabric upholstery (see sample chart)
- Brake-pad wear indicator
- Cruise control with SPEEDTRONIC variable speed limiter
- Design key
- Door sill panels in stainless steel with gills and "Mercedes-Benz" lettering
- Fabric draught-stop
- First-aid kit
- Fluid level warning indicator for oil and water
- Folding armrest with stowage compartment
- Instrument cluster with central displays
- Multifunction steering wheel with leather thumb rests
- Net attached to rear panel behind driver's seat
- Net in passenger footwell
- Outside temperature gauge
- Power steering with safety steering column (manual height and reach adjustment)
- Power windows, with one-touch control and obstruction sensor
- Reading light in overhead control panel
- Rev counter
- Roll-over bars for driver and passenger
- Ruffled pockets in the door panels
- Seat height adjustment for driver and passenger
- Seat occupancy sensor for passenger seat
- Side impact protection
- Silver-coloured controls
- Silver-coloured sports selector lever
- Silver -coloured trim elements
- Sports pedals with rubber studs
- Sports seats with visible magnesium frame and height-adjustable integral head restraints (backrests with folding function)
- Stowage compartment between the seats, in front of the rear panel
- Stowage compartment with lid and plug socket
- Trip computer in the multifunction display
- Turn signal indicators with one-touch control
- Warning buzzer when lights not switched off or parking brake activated

- Audio 20 radio/front CD
- Cup holder

Exterior

- 6-speed manual transmission
- 70-litre fuel tank
- Anti-lock braking system (ABS)
- Brake Assist (BAS)
- Central locking with automatic locking function (programmable), emergency opening, interior switch and crash sensor
- Clear-lens headlamps with H7 projection technology
- Clear-lens turn signal indicators in the exterior mirror casing
- Door handles painted in body colour
- Spare Wheel
- Electrohydraulic vario-roof in body colour with heated and pivoting rear window
- Electronic immobiliser incl. locking system with radio remote control and visual lock confirmation (recognised by AZT and TÜV)
- Electronic Stability Program (ESP)
- Front and rear foglamps
- Front apron, side skirts and rear apron painted in body colour
- Green-tinted glass all round; single-layer safety glass for rear window
- Headlamp Assist (automatic headlamp control)
- Heated exterior mirrors, electrically adjustable from interior and painted in body colour; aspherically curved mirror glass
- LED tail lights and brake lights
- Light-alloy wheels in 7-spoke design (4x), 7 J x 16 ET 34
- Remote boot lid release via key
- Side windows can be opened when roof closed
- Two-pipe exhaust system with chrome tailpipe trim
- Warning triangle

Variable roof

SLK 200K Standard Alloys

Additional items of standard equipment for the SLK 350

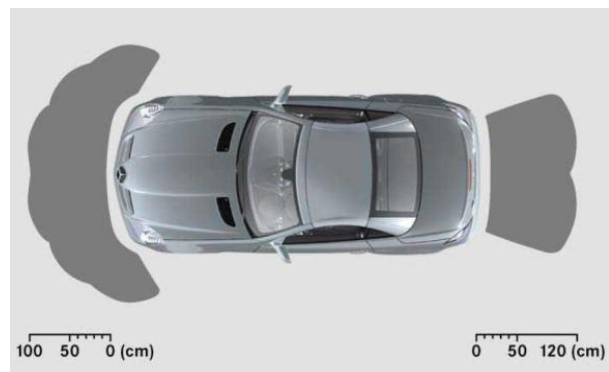

- Battery with increased capacity
- Interior lighting package
- Larger brakes with perforated front brake discs
- Light-alloy wheels in 5-spoke design (4x),
FA: 7.5J x17 ET 36
RA: 8.5J x17 ET 30
- THERMATIC air conditioning
- 7G-TRONIC 7-speed transmission

SLK 350 with standard alloys or alloy code 607, 17"

Head thorax sidebags as standard

Code 220 Parktronic, optional

Additional items of standard equipment for the SLK 55 AMG

Interior

- 7G-TRONIC 7-speed transmission with steering-wheel gearshift
- AMG doorsill covers in brushed stainless steel
- AMG ergonomic sports steering wheel with gearshift buttons
- AMG instrument cluster
- AMG SPEEDSHIFT automatic transmission
- AMG sports seats
- Battery with increased capacity
- Heated seats
- Interior lighting package
- Nappa leather upholstery
- THERMATIC air conditioning system

Exterior

- AMG 18-inch light-alloy wheels in multi-spoke design,
FA: 7.5J x 18 ET 37
RA: 8.5J x 18 ET 30
- AMG bodystyling with special SLK 55 AMG front apron
- AMG high-performance braking system with composite front brake discs
- AMG spoiler lip on the boot lid
- AMG sports exhaust system with two sets of twin chrome tailpipes
- AMG sports suspension
- Darkened tail lights and third brake light
- Longitudinal gills on the bonnet
- Speed-sensitive power steering
- Painted black cross fins in the radiator grille

SLK 55 AMG Standard Alloys

Code 782 AMG Optional Alloys

Sports package (952)

Interior

- Armrests in the doors with red decorative topstitching
- Roof liner incl. rear window surround in black
- Instrument cluster with red needles
- Leather steering wheel with red decorative topstitching
- Leather shift lever with red decorative topstitching in gaiter
- Red seat belts
- Seats with red decorative topstitching
- Velour floor mats with red edging
- Trim on driver's side with black surface
- Trim on front passenger side with carbon look

Exterior

- AMG airflow breakaway edge on boot lid
- 17" braking system, front discs perforated, brake callipers with Mercedes-Benz lettering
- Four light-alloy wheels in 6-twin-spoke design, Code R87,
Front: 7.5 J X 18 ET 37, tyre size: 225/40 R 18
Rear: 8.5 J X 18 ET 30, tyre size: 245/35 R 18
- Hub cap trim with star and laurel wreath
- Headlamps with dark surrounds
- Lowered sports suspension
Sports air filter (only for SLK 280 and SLK 350)
